Reception Site: Nantucket Island Resorts

Nantucket Island Resorts offer a multitude of locations for 'walks down the aisle' so even the pickiest of couples will find what they are dreaming of. The White Elephant, named one of the World's Best Hotels in the U.S. by Conde Naste traveler, with its Ivory Room can cater for up to 24 guests during late spring, summer and fall. The Sunroom can hold up to 28 guests, and the Sundeck, which is fully heated and has glorious views of Nantucket Harbor, can host about 60 people. These smaller locations are perfect for intimate rehearsals while the Harborside Terrace, with a capacity of about 150, is perfect for any wedding reception.

The Wauwinet, a Relais & Chateaux property, is ideal for weddings of any size. It includes many rooms that offer different atmospheres such as TOPPER's dining room and Bayview Lawn. For the couple that wants to go the extra mile, the Wauwinet offers a "whole house" wedding which allows the couple to have the entire inn for their guests for two or three nights.

Located in the heart of Nantucket's historic district is the Jared Coffin House. This quaint inn can hold up to 70 guests for celebrations at any time during the year.
